Glenn,

Since they are under a Master General permit, I will need to delete all the CAU#s and re-enter them as permit under the MGP CAG0188001. I'll let you know when I get it done.

Hi Sandra,

Sorry for late reply. My Outlook service has been down the past 2 days. IRM just fixed it today. Yes, the general permit number is CAG018001. I have already used your preassigned CAU #s. Hope this didn't throw anything off. Please advise if any corrections are needed. I have only entered 3 systems so far. I'll wait for your reply before entering any more. The 3 I've entered to ICIS using your CAU numbers are Robinson Calf Ranch, Jim Nyenhuis Dairy, and GH Dairy #1.

Glenn, are these covered under a Master General permit? If not, then they will get a CAU#.

Hi Sandra,

I attempted to locate NPDES #s for the following 8 but did not find anything in the system. Could you please provide me with the new identifier #s? Thanks. I found 2 facilities with existing NPDES #s: Jim Nyenhuis Dairy AND Robinson Calf Ranch (below). For the remaining 8, I'll need new #s. Thanks.
